§ 950.20

for the payment of covered costs, in accordance with the procedures in subpart C of this part for the payment of covered costs, if a covered event(s) is determined to be the cause of delay in attainment of full power operation, provided that:

- (1) Under Standby Support Contracts for the subsequent four reactors, covered delay may occur only after the initial 180-day period of delay, and
- (2) The sponsor has used due diligence to mitigate, shorten, and end, the covered delay and associated costs covered by the Standby Support Contract.
- (d) Covered costs. Each Standby Support Contract shall include a provision to specify the type of costs for which the Department shall provide payment to a sponsor for covered delay in accordance with the procedures set forth in subparts C and D of this part. The types of costs shall be limited to either or both, dependent upon the terms of the contract:
- (1) The principal or interest on which the loan costs for the Program Account was calculated; and
- (2) The incremental costs on which funding for the Grant Account was calculated.
- (e) ITAAC Schedule. Each Standby Support Contract shall provide for adjustments to the ITAAC review schedule when the parties deem necessary, in the case where the Commission has not provided any rules, guidance, audit procedures or formal Commission opinions setting schedules for review of inspections, tests, analyses and acceptance criteria under a combined license. upon review and approval by the Department and the sponsor. Adjustments to the ITAAC review schedule must be in writing, expressly approved by the Department and the sponsor. and remain in effective for determining covered events unless and until a subsequently issued ITAAC review schedule is approved by the parties.

Subpart C—Claims Administration Process

§ 950.20 General provisions.

The parties shall include provisions in the Standby Support Contract to specify the procedures and conditions

set forth in this subpart for the submission of claims and the payment of covered costs under the Standby Support Contract. A sponsor is required to establish that there is a covered event, a covered delay and a covered cost; the Department is required to establish an exclusion in accordance with §950.14(b).

§ 950.21 Notification of covered event.

- (a) A sponsor shall submit in writing to the Claims Administrator a notification that a covered event has occurred that has delayed the schedule for construction or testing and that may cause covered delay. The sponsor shall submit the notification to the Claims Administrator no later than thirty (30) days of the end of the covered event and contain the following information:
- (1) A description and explanation of the covered event, including supporting documentation of the event;
- (2) The duration of the delay in the schedule for construction, testing and full power operation, and the schedule for inspections, tests, analyses and acceptance criteria, if applicable;
- (3) The sponsor's projection of the duration of covered delay;
- (4) A revised schedule for construction, testing and full power operation, including the dates of system level construction or testing that had been conducted prior to the event; and
- (5) A revised inspections, tests, analyses, and acceptance criteria schedule, if applicable, including the dates of Commission review of inspections, tests, analyses, and acceptance criteria that had been conducted prior to the event.
- (b) An authorized representative of the sponsor shall sign the notification of a covered event, certify the notification is made in good faith and the covered event is not an exclusion as specified in §950.14(b), and represent that the supporting information is accurate and complete to the sponsor's knowledge and belief.

§950.22 Covered event determination.

(a) Completeness review. Upon notification of a covered event from the sponsor, the Claims Administrator
